IMPORTANT NOTES ABOUT THE LORD'S SUPPER:

The Bible teaches that along with the bread and wine of Holy Communion we also receive the true body and blood of our Savior. Jesus' own words, "this is my body" and "this is my blood for the forgiveness of sins" reveal His Real Presence in the sacrament (Luke 22, 1 Cor. 10:15-16). The Bible also teaches (1 Cor. 11:23-32) the Lord's Supper, properly received brings great blessings, but improperly received without understanding can actually incur God's judgment. If you are a baptized Christian who has been instructed in the Biblical teaching of communion, please feel free to commune today. If you have any questions, please first speak to a pastor.

As you come forward, gluten free wafers are available by request, as well as individual cup choice of wine or lighter colored non-alcoholic grape juice (located in the center of the trays). Common cup is also offered during Traditional Praise services at the altar only.

The Lord's Supper is celebrated in Traditional Praise on the first, third, and fifth weekends of the month; and in Modern Praise on the second and fourth weekends of the month.

WORSHIP CELEBRATION

WORSHIP THIS WEEKEND

I BELIEVE Worship Series Concludes This Weekend

Knowing and calling on someone by their actual name is essential to developing a meaningful relationship. It's a natural way to begin. The One who has called you by name from all eternity reveals His name as Father, Son, and Holy Spirit. Yet knowing Him by name is only the start. Our God welcomes you to experience an even deeper relationship with Him as you learn what His Name means - and what it means for your life in Him. As we celebrate Father's Day weekend together, we also conclude the I BELIEVE series by giving thanks in the Name and eternal love our Heavenly Father has lavished on us!

NEW SUMMER SERIES BEGINNING NEXT WEEKEND

It's that season again! The annual season everyone dreads: road construction! But as much as it can be an inconvenience and frustration, in our heart of hearts we know construction is necessary to bring about lasting change for the better. Turns out, God often allows similar seasons to occur in our lives that bring about a similar result of lasting change in our faith relationship with Him. And while the process can be messy, the final result is always worth it! Join us

throughout the remaining weekends of summer at St. John for *Faith That Works*—a worship series based on the book James!
