# Office of the Superintendent of Lutheran Schools, Michigan District

*July 2020*

Lutheran School Families, Educators, and Friends,

We hope you are enjoying your summer and staying safe during this challenging time. We know many of you have questions about what school will look like this fall, and we appreciate your patience and understanding as we look to make sound decisions on what is best for our Lutheran schools and all those we serve.

Your favorite administrators and school leaders have been wrestling with all the items pertaining to school opening this fall and what that means for students, teachers, and parents. The governor's office has shared the MI Safe Start Plan that has guided our discussions and has required several protocols our schools must follow. The following document is intended to outline the plan for your local Lutheran school for phase 4 and 5.

I am grateful for the collaboration among our Lutheran school principals as well as our partnerships within the Michigan Association of Nonpublic Schools (MANS). It is reassuring to know we are supported by our brothers and sisters in our parochial schools throughout the state.

We will continue to boldly pray that the Good Lord works a miracle and eradicates this virus from our communities, country, and the world. And at the same time, we will rely on Him for guidance, wisdom, and peace as we move through these ever-changing times. God's richest blessings on the upcoming school year and may His love continue to flow to us and through us no matter the circumstances!

Serving Him,

A handwritten signature in dark ink, appearing to read 'Travis Grulke'.

Travis Grulke  
Superintendent of Schools
