

Jesus is calling you! What a joy to be so honored! The more you realize the ultimate personal gift of His undeserved grace and selfless love in your life, the clearer that call becomes! And with that clear calling comes a clarifying desire to respond by using the gifts you've been given to serve the One who served you first and opened eternity to reality.

Whatever you do, don't let those gifts go to waste!

Let me encourage you to take the time to read through these *Serving Opportunities* to gain a sense of the many ways that God might use you and your unique, God-given talents and abilities to accomplish His mission and vision for His people at St. John Lutheran Church & School. I truly believe there is an area of ministry at St. John that is tailor-made to fit you. It might require taking the risk of getting involved. But I must warn you, as you step forward to change lives through serving...you too just might be changed.

Looking forward to seeing you out there!

In Jesus I am Yours,

Pastor Marc Schwichtenberg

Elected/Appointed Leadership

If God has blessed you with a gift of leadership or strategic thinking or a shepherd's heart, consider the possibilities of serving on one of our leadership teams.

Vestry (Leadership, Apostleship, Faith, Administration) - The Vestry is comprised of men and women who serve as our St. John Lutheran Church & School governing board. As prayerful, servant-hearted leaders, their duties include working with our Senior Pastor to establish vision and strategic direction for the ministry as a whole. They also work with and provide accountability to our Senior Pastor through established policies. In essence, the Vestry is concerned with continuing to seek the Lord for the "what" of our ministry together, enabling our Senior Pastor and his staff to engage in the "how" of ministry in equipping God's people to carry out the vision. The time commitment is generally a 2-3 hour strategic progress meeting each month, and an additional 2-3 hours per month in outside preparation or involvement. Email jeller@stjohnrochester.org

Elders (Pastor/Shepherd, Leader, Wisdom, Encouraging) - The Elders humbly serve as support and counsel to our pastors by assisting in caring for the spiritual needs of the entire St. John family. As men of prayer, they are deeply involved in the worship life and overall spiritual health of our congregation. In addition, they also provide caring support for the physical, spiritual and emotional needs of the pastors, staff and their families. The time commitment is generally a two hour meeting each month that includes Bible study, prayer and discussion, and an additional 2-4 hours per month serving as Elder on duty at 1-2 worship services per month. Email jeller@stjohnrochester.org

Foundation Governors (Giving, Faith, Administration) - The men and women who serve on the St. John Lutheran Church & School Foundation Board of Governors have the responsibility to raise awareness and prudently invest endowment funds in order to provide a source of ongoing and future financial support for our church and school ministry and outreach. Beyond the ongoing evaluation of investments, a key role for the Foundation Governors is to prayerfully consider grant applications toward disbursement of funds on a yearly basis. The time commitment is generally a two hour meeting each month, and possible extra projects. Email jeller@stjohnrochester.org
